

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 13, 1995

SUBJECT: **SB 1006 - HB 934**

This bill, if enacted, allows counties to locate the county highway department garage outside the limits of the city which is the county seat as long as it remains within the county boundaries.

The fiscal impact on local governments from enactment of this bill in and of itself is estimated to be minimal since the provisions of the bill are permissive.

The fiscal impact from enactment of this bill is estimated to be a decrease in first year local government expenditures to the extent locating the county highway garage outside the limits of the city is more cost efficient. A reasonable estimate of the decrease cannot be determined but is estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
